Women In Mathematics of Materials

The Michigan Center for Applied and Interdisciplinary Mathematics presents MCAIM-WIMM Workshop to be held on May 14-18 2018 at the University of Michigan-Ann Arbor

This workshop brings together senior female leaders in mathematical and computational materials science with junior and early career female scientists looking to collaborate on new innovative projects, build a research network and expand their research programs.

Apply (before March 8 2018) at: https://mcaim.math.lsa.umich.edu/events/women-in-mathematics-of-materials-workshop/apply-to-wimm/

PLENARY SPEAKERS
Irene Fonseca, Carnegie Mellon University
Sharon Glotzer, University of Michigan-Ann Arbor
Xiaoming Mao, University of Michigan-Ann Arbor
Katsuyo Thornton, University of Michigan-Ann Arbor

ORGANIZERS
Hala AH Shehadeh, James Madison University
Malena Espanol, University of Akron
Petronela Radu, University of Nebraska-Lincoln

Project Leaders

Maria-Carme Calderer
University of Minnesota

Yakaterina Epshteyn
University of Utah

Marisol Koslowski
Purdue University

Marta Lewicka
University of Pittsburgh

Petronela Radu
University of Nebraska-Lincoln
